**Civil Action  
No. 17-3195**

**DECLARATION OF DEPUTY WARDEN PATRICIA A. POWERS**

1. My name is Patricia A. Powers and I am currently a Deputy Warden and the Director of the Policy and Audit Division for the Philadelphia Department of Prisons (hereinafter "PDP").

2. I have worked in the Policy and Audit Division since 2010, and I have been continuously employed by the PDP since October 25, 1993.

3. As a result of my position, I am familiar with general day-to-day operations at PDP facilities, including general inmate medical services.

4. During the period of January 1, 2016 through March 31, 2016, PDP contracted with Corizon Health, Inc. ("Corizon") for the provision of general medical services to inmates, including inmates at CFCF.

5. As part of its contractual duties, Corizon providers were responsible for reviewing inmate sick calls and scheduling inmate appointments with the appropriate Corizon providers, as necessary.

6. As a further part of its contractual duties, Corizon providers were responsible for determining what medical course of treatment, if any, to provide to an inmate.

7. As a result of my position, I am familiar with the PDP automated information systems, including the database field that describes an inmate's housing change summary, which is maintained in the PDP automated information system called Lock &Track ("LAT").

8. At the request of the Philadelphia Law Department, a search of the LAT housing change summary was conducted regarding the plaintiff, Leslie Boyd, and I have reviewed the results of this search. See Inmate Housing Change Summary of Inmate Leslie Boyd, DOB 12/06/1948, relevant portion attached as Exhibit A.

9. According to Exhibit A, the plaintiff entered CFCF, through Receiving, on December 31, 2015. *Id.*

10. In addition to housing information, notes recorded by inmate Social Work Services Managers at CFCF are stored in Lock & Track.

11. Based upon a review of the notes recorded by the Social Work Services Managers assigned to plaintiff, Leslie Boyd, as maintained on Lock & Track, plaintiff met with an inmate Social Work Services Manager named K. Thomas on February 3, 2016. See Inmate Social Worker Notes from February 3, 2016, attached as Exhibit B.

12. K. Thomas recorded in the notes that on the date of the meeting – February 3, 2016 – Plaintiff was utilizing a wheelchair. *Id.*

13. Along with the above information, every grievance submitted by an inmate at CFCF is logged in by the Deputy Warden for Administration of the facility in which the inmate is housed into the LAT system.

14. Based upon a review of the grievances filed by plaintiff, Leslie Boyd, as maintained on Lock & Track, plaintiff submitted a grievance on March 15, 2016 requesting a new wheel chair. See Grievance submitted March 15, 2016, attached as Exhibit C.

15. The records indicate that the request was processed on March 17, 2016.

16. I certify that all the attached exhibits are true copies of official PDP inmate records of Leslie Boyd, the plaintiff in this civil action.

**Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.**
